Product description

In the vast territories of Argatoria every day, wild tribes of Barbarians, Reptilians and other races fight, led to battle by great generals and mighty champions. Overwhelmed by the vision of the power or the whispers of the gods, they unleash great wars, which are harnessed by huge beasts, machines and magic. The voice of the drums mixes with cries of warriors, big cities and strongholds are burning, and great armies are coming from each side. It's the time of blood, time of war, time of Argatoria!!!

In *Argatoria Wargame* you command one of the wild tribes in battles for domination and survival. Your army may include from a few to over a dozen units, as well as champions, great beasts, prayers and unusual spells that will allow you to fight even more exciting fights.
