### Product description

The set contains 16 two-piece high-quality resin miniatures of Martyrs of Voro-dans and sixteen 20 mm square plastic bases. Heads are separate and interchangeable. Require assembly, cleaning and painting. Scenic bases not included. The miniatures are dedicated for the *Sorgax* army in **Argatoria Wargame**.

Scale: 10 mm

Design and sculpting: Piotr Pirianowicz

#### Colour scheme:

##### *Sorgax*

Skin - white with red or purple glazes

Rags and furs - different colours

Chains and blades - silver

Handcuffs - brass

*The inhabitants of distant Voro-dan are four-armed, enormous individuals. Their skin is mostly dark red, and those who live in the deserts are even coal black. However, those who are forced to fight for the Sorgax tribe are held in underground dungeons and Water Halls of Torment. Over time, due to the lack of sun, the skin of Martyrs turns completely white.*
