Product description

The set contains 32 one-piece high-quality resin miniatures of Mementors and sixteen 20 mm square plastic bases. Require assembly, cleaning and painting. Scenic bases not included. The miniatures are dedicated for the Lord Necromancer's *Sheol-morg* army in the *Argatoria Wargame*.

Attention! *When assembling the models onto the bases, glue them so that their cloaks do not protrude beyond the edges of the base. Thanks to this, you will be able to easily place them next to each other and form a unit.*
