Product description

Terrain is a supplement for *Umbra Turris Skirmish Game*. It contains **6 Terrain Cards** and **6 Loot Counters**.

What are Terrain Cards for?

Terrain Cards are used before the battle to determine the location where you will play. They contain special rules connected with the alignment of the parties. **Example:** *In the Haunted Graveyard, the Good party starts the game with one Blessing Die less, while the Evil party gains two additional Torment Dice*.*

*Blessing Dice and Torment Dice are the names of the special dice connected with a specific alignment of a party, giving it unique benefits during the game (*see rulebook for more details*).

What are Loot Counters for?

Loot Counters are set next to the terrains before the battle, hiding special loot that any hero can find during the game by getting into base contact and performing a Minor Action – Loot Test (*see rulebook for more details*). The hero rolls a d6 and checks the rulebook to see what they have found.
